Small Repairs Service

Small Repairs Service

This Service is designed to provide free advice and practical assistance to help people continue to live safely and independently in their own homes.

While you pay for any materials required to complete the job, we will carry out the works at no charge, where applicable.

If a job is deemed too large for the small repairs service, we will help you find a suitable contractor to carry out the work for you.

In cases of financial hardship we may be able to access additional funding.
