

New Supply Shared Equity (NSSE) Properties

New Build 2 & 3 Bedroom Homes from £105,000*

We are delighted to be able to offer a selection of new homes available to purchase by first-time buyers and others who might be facing challenges with affording home ownership.

The Association have been committed to building quality affordable homes for purchase, with the support of the Scottish Governments New Supply Shared Equity Scheme (NSSE), and we currently have 2 and 3 bedroom properties under construction that will be ready at the start of 2026.

These are ideal starter homes or that forever home you could be looking for, if you are interested we would be delighted to hear from you to discuss your eligibility for the scheme.

Please see below for a link to the application form and other important documents about the scheme. Paper copies of the application form can be provided on request.

We would also like to hear from anyone who may be interested in Low Cost Home Ownership in other areas outwith Kirkwall. Please use the following link to register an interest: -
